

A **GOOD WITH ME** HUMANITARIAN MOVEMENT SPONSORSHIP OPPORTUNITY!

Imagine the benefits of having your company or organization in front of your potential customers while being an agent for positive change in your community... both at the same time.

Then imagine what your community & the world would be like if the bullying, violence, school shootings, terror, & suicides stopped because everyone in every community on the planet recognized they are someone special regardless of circumstances!

The Good With Day Festival is a platform for change. Real change begins with recognition of our inner value --- the value that everyone was born with. **The Good With Me Day Festival's Purpose is to inspire** all citizens of our community to participate in a celebration of who they are. Also **to introduce** healthy choices for having fun. Plus **to showcase** a variety of healthy athletic & non-athletic activities, like arts, self-nurturing, health & fitness, food & drink & more --- all available in our local community. For many who have not had or taken the opportunity to experience in the past.

And now **YOU** can play a vital role in this humanitarian movement as a **Good With Me Day Festival Sponsor!**

**YOUR SPONSORSHIP WILL PROVIDE THE FUEL FOR CHANGE!
IT'S A WIN-WIN FOR EVERYONE!**
