The **Good With Me Humanitarian Movement** teaches people to recognize value in themselves and others.

**When you join this Humanitarian Movement** with your sponsorship you will be recognized as a team player who supports the purpose of the **Good With Me Day Festival**.

**The purpose of the Festival** is to inspire the citizens of our community to participate in a celebration of who they are by introducing them to healthy choices for having fun, taking care of themselves, and to experience positive ways to recognize & express their value. This is achieved by presenting an expansive variety of hands-on healthy athletic and non-athletic activities, i.e., the arts, self-nurturing, health & fitness, food & drink and more --- all available in our local community.
