

# The “Good With Me” Corporate Enrichment Program

It all began with the “Good With Me” book and became...

- ✓ The “Good With Me” Global Humanitarian Movement
- ✓ The “Good With Me” Community Leader Program
- ✓ The “Good With Me” Corporate Enrichment Program

- ✓ The “Good With Me” Festival

And now “Good With Me” is much more than that! It is a global community of like-minded people who are learning that their happiness and freedom from stress is not dependent upon someone or something outside of themselves. They are learning how to free themselves from the death-grip of stress by shifting the way they think.
